

GREATER CLEVELAND STEM FESTIVAL

SPONSORSHIP PACKET

To Whom It May Concern:

The Greater Cleveland STEM Foundation is proud to be presenting the first annual Greater Cleveland STEM Festival at Baldwin Wallace University on October 13th, 2018.

The mission of the festival is to celebrate Science, Technology, Engineering, and Mathematics in the Greater Cleveland community by Inspiring, Discovering, Educating, Advocating, and Sharing IDEAS. This mission drives us to strive to create a low cost admission festival for our community to come learn about STEM fields, meet representatives from local organizations, discover ways to become involved with STEM in the community, plus many more additional activities to engage individuals of all ages.

As you can imagine, an event of this scale not only costs a significant amount of funds to produce, but requires quite a few volunteers and a dedicated planning team to be successful. As a non-profit organization, we depend on donations from our community to be able to operate and produce events such as the Greater Cleveland STEM Festival.

I am approaching your company today to see if you can help us by becoming a sponsor for the 2018 Greater Cleveland STEM Festival. In the following packet you will find more information about the festival as well as the services we can offer in return for your sponsorship.

Please do not hesitate to contact me using the information below. I look forward to speaking to you about our potential partnership and your support of the 2018 Greater Cleveland STEM Festival.

Sincerely,

Michelle Kane-Sutton
Co-Chair, Greater Cleveland STEM Festival
Interim CEO, Greater Cleveland STEM Foundation

Sponsorship Information

Rewards of Being a 2018 Greater Cleveland STEM Festival Sponsor

In return for your investment in the 2018 Greater Cleveland STEM Festival, your organization will have the opportunity to:

- Be exposed to an audience of STEM organizations, students, families, and STEM professionals
- Showcase your organization in a new way
- Position your organization as a friend to the STEM community
- Be publicized to a local audience
- Support a brand new local 501(c)3 organization

Monetary Sponsorship

Monetary sponsorships received will be used towards:

- Venue Rental
- Event Operation Equipment (Staging, Pipe & Drape, Tables, Chairs, Etc.)
- Signage & Marketing
- Volunteer Food & T-Shirts

In-Kind Sponsorship

The Greater Cleveland STEM Festival would be glad to accept in-kind sponsorship for our event. Some examples of goods or services that would be helpful as an in-kind sponsorship are:

- Food for our Volunteers
 - Event Marketing Opportunities
 - Volunteer T-Shirts
 - Event Photographer or Videographer
 - Festival Signs or Printing
-

Monetary Sponsorships

Sponsorship Details

Sponsorship Benefits Information

Logo in Festival Program

The sponsors logo will be placed in a special section of the festival program that will be distributed to attendees as they enter the festival venue.

Logo on Festival Website & Volunteer T-Shirts

The sponsors logo will be placed in a special section of the festival website which will be visible to individuals who visit our website. The sponsor will also have their logo placed on our volunteer t-shirts for visibility during the festival.

Booth Space at Festival

The sponsor will be given either an educational or recruitment booth at the Greater Cleveland STEM Festival. Sponsor will be responsible for staffing the booth space.

Logo on Large Banner

At the event, a large banner will be displayed by the festival entrance for all attendees to see. The sponsors logo will be displayed on the banner along with the logo of other sponsors.

Naming Rights to an Area of the Festival

At the event, the sponsor will have the opportunity to have their business sponsor an area of the festival. An example would be 'The COMPANY NAME Vendor Village'. Specific areas available for naming are to be discussed further.

Host a Talk and/or Demo

At the event, the sponsor will have the opportunity to showcase their organization by conducting a talk and/or demo in one of our speaker rooms. Specific details are to be discussed further. Talk and/or demo may be educational, informative, etc.
